PUBLISHED WEEKLY IN CANAL POINT BY PAUL RARDIN

CIRCULATING THROUGHOUT THE VAST AGRICULTURAL AREA OF PALM BEACH COUNTY

1,000 Acres Sugar Cane Now Planting North Canal Point

While rumors fly thick and fast throughout the Lake Okeechobee Farming Region in regard to how much new sugar cane acreage is going to be planted, actual planting started this week on a 1,000 acre tract at Sand Cut north of Canal Point. The cane is being planted by the Okeelanta Sugar Corporation on the land they recently purchased from the Chastain Brothers.

Through the summer the Okeelanta concern has been busy readying the land for sugar cane planting and this week heavy semi trucks brought in the seed cane for the local plantation. The land, located just north of Canal Point, is some of the finest in the area and was purchased from Stanton Chastain, Anderson Chastain and Oscar Chastain for \$600,000. T. W. Knight, former Pahokee realtor and now of Riviera Beach, made the deal.

Another tract of land containing 4,000 acres east of Canal Point may be planted in sugar cane by the new owners who purchased it from Alex Ramey for \$950,000. New owners of the land are: Tokaliga Farms Company, Chanticleer Farms Company, Osceola Farms Company and Okeechobee Farms Company. No definite information is available on this tract but Dame Rumor has it that it will also be planted in sugar cane in the not too distant future.

Elementary Shows Increase Pahokee

Pahokee Schools opened Tuesday with a substantial increase in enrollment. At the Senior-Junior High School 394 students were registered, compared to 371 on the opening day last year, according to Principal Brooks Henderson. Principal Herman Austin of the Elementary School reported a total enrollment of 408, first through sixth grades, Tuesday, 17 more pupils than were registered on the first day of last year.

At the Canal Point School Principal W. W. White reported an enrollment of 146 students, first through eighth grades, on Tuesday, the same as the opening day last year.

Principals of all three of these schools expect a sharp increase in enrollments as the farming season opens and migrant families arrive in this area to assist in the harvesting operations.

TO ELKS MEETING

Those from the Pahokee-Canal Point area who plan to attend the fall conference of the Florida State Elks Association at Leesburg this weekend, Sept. 10-11, are William Erickson, exalted ruler of Pahokee BPOE Lodge 1638, and Mrs. Erickson, Mr. and Mrs. James W. Vann and niece, Miss Carolyn Sellers, Mr. and Mrs. Edward A. Jensen, Mr. and Mrs. Harold Wilkinson, Mr. and Mrs. Leon Spooner and Mr. and Mrs. J. S. Barwick and family.

Directors Named By C of C Membership

Members of the Pahokee Chamber of Commerce elected by mail ballot four new directors: Edward A. Jensen, postmaster; Luke Dufresne, administrator of the Everglades Memorial Hospital; Robert Fisher, manager of the Pahokee Coca-Cola Bottling plant; and C. E. Williams, office manager of the Everglades Insurance Company, who was re-elected.

The newly elected directors will be inducted at the annual dinner meeting of the chamber membership in October.

Bacom Point Road To Get Curb, Gutter Sidewalk 3-10 Mile

A new curb and gutter job with new sidewalks will be built on Bacom Point Road from in front of the First Baptist Church south to the corner at the Rice residence near the City Park, according to County Commissioner Paul Rardin, who has directed that the work be done out of secondary road funds by the State Road Department during the upcoming budget year.

It was the hope of Commissioner Rardin that the work could have been done last year by the State Road Department in order that it could have been completed by the time the new post office is finished. However, this was impossible and the work has been securely placed in the secondary projects for this year, Mr. Rardin said.

With the construction of the three-tenths of a mile of curb and gutter and new sidewalk the business section of Pahokee will be lengthened just that much, according to the plans. The curb and gutter will give more needed parking area and add to the attractiveness of the business section of the town.

Drivers Licenses Now Available

Local motorists may obtain their new drivers licenses at the Florida Highway Patrol Station in Pahokee as well as the Glades Office Building on SR 15 between Pahokee and Belle Glade. Mrs. Juanita Cowart is issuing drivers licenses at the FHP station this month daily, Mondays through Fridays, from 9 a. m. to 4:30 p. m.

Sept. 1960 rainfall to date .85

Mr. and Mrs. Ralph O. Johnson and daughter, Susan, spent the weekend at Palm Beach Shores.

New Super Market For Leroy Miner Will Cost \$50,000

Plans are in the wind for a new super market in Pahokee and this time it isn't a Kwik Check or some other chain operation. It is to be a locally owned and operated merchandising establishment.

Leroy Miner said on Tuesday of this week that he plans to erect a modern food market on Rardin Avenue just to the rear of the Pure Oil Station on Bacom Point Road and that it will contain 6,000 square feet of floor space. Mr. Miner said the store will be air conditioned and modern throughout and cost in the neighborhood of \$50,000.

A parking area for patrons will be filled in to a depth of 2½ feet, Mr. Miner said. If present plans materialize he said that work should be started not later than three weeks from today. Miner's Super Market will be the official name for the new enterprise. Another Miner's market is operated further down on Rardin Avenue in the colored section of Pahokee.

Wood Bridge SR717 Will Be Replaced

The dangerous narrow wooden bridge on State Road 717 from Chosen out to the dike near the Country Club in Belle Glade, will be replaced with a new bridge, according to County Commissioner Chairman Paul Rardin who was in contact with the State Road Department this week.

J. L. Papy, maintenance engineer for the SRD, was in the Glades Tuesday and said that the bridge will be done immediately. A pile driver is on the job ready to build a detour bridge to handle the traffic while the new bridge is under construction.

Mr. Papy pointed out that the bridge will be constructed to carry heavy traffic and that it should be done within a few weeks.

Mr. Papy inspected the right-of-way between Chosen and the Country Club and told Mr. Rardin that he would have his maintenance crew cut down the heavy growth on each side of the road or use weed and grass killer to bring it under control.

Five Home Games For Blue Devil 11

The Pahokee High Blue Devil football team will play five games at home on Lair Field this season: Oct. 7, Forest Hills; Oct. 21, Lake Worth; Nov. 4, Okeechobee; Nov. 11, Vero Beach; Nov. 23, Belle Glade. Season tickets, reserving choice seats in the stadium, for these home games, are now on sale at the high school office. Bank of Pahokee, with Frank Gillis in charge, and at Sears Hardware store in Canal Point.

Mr. and Mrs. Lewis Walker and family visited friends and relatives in Miami over the weekend.

Cowart Family Had Labor Day Visitors

Mr. and Mrs. Lewis Cowart had as guests over the Labor Day weekend their sons-in-law and daughters, Mr. and Mrs. Charles Phillips and Mr. and Mrs. John Berman and daughter, Pamela, all of Miami, and Mr. and Mrs. John Tamey of West Palm Beach. Mr. and Mrs. Tamey left Wednesday for Chicago, Ill., where they will make their home while he is working for his master's degree in engineering at Illinois Institute of Technology.

New Post Office To Have Plenty Room To Serve Pahokee

Pahokee's new post office, when completed, will be big enough to serve patrons of that office for many years to come. This week concrete brick and concrete blocks are going up on schedule and the walls should be in place by the end of the week or the first of next.

H. H. McCord, contractor of Orlando, is constructing the building for Capital Properties, Inc., of Tulsa, Okla., who will own the building and lease it to the post office department.

The new building will provide 4,758 square feet of floor space or nearly two and one-half times as much as is to be found in the post office presently serving Pahokee. It will be completely modern and air conditioned. It will be furnished throughout with modern equipment of the very latest design being used by the post office department.

There will be an outside loading platform and off-street parking will also be made available for patrons. There will also be a hard surfaced parking area for government equipment.

Funeral Services For Mrs. Wilson

Funeral services for Mrs. Marie Esther Wilson, 59, of Canal Point were held in the chapel of the Williams-Wetherington Funeral Home, Pahokee, Sunday at 3 p. m. with the Rev. Charles D. Stewart, pastor of the Canal Point Baptist Church, officiating.

Mrs. Wilson died Thursday afternoon, Sept. 1, at a West Palm Beach hospital after a long illness. A member of the Baptist Church, she had been a resident of Canal Point for 25 years, coming here from Texas.

She is survived by her husband, William Wayne, Canal Point; two sisters, Mrs. Mae Hester, San Bernardino, Calif., and Mrs. Dorothy Huron, San Antonio, Texas.

Burial was at the Port Mayaca Cemetery.

Mrs. W. W. White will present the program at the September meeting of the Ione Patterson Circle, Canal Point Woman's Missionary Union, at the church Monday at 3 p. m. Mrs. W. S. Evans, president, will preside.

Bolton Drug Store Would Win Prize For Cleanliness

If a prize were being offered for the brightest and cleanest drug store in the Lake Okeechobee Region there is little doubt that Bolton's Rexall Drug store, operated in Pahokee by Mr. and Mrs. John Bolton, would win first prize.

Erected just a few short years ago, the store is modern in every detail and only recently Mr. Bolton had the Rexall Company install the very latest shelves, counters and racks to care for the stock which is kept fresh at all times. The store is air conditioned and is equipped with modern glass doors which lend an inviting appearance to the entrances.

Mr. Bolton prides himself on the modern up-to-the-minute prescription department which he maintains. Receiving over night service from two of Florida's largest drug houses, the Bolton store is rarely ever out of any modern drug needed for compounding prescriptions written by doctors in the Lake Okeechobee Farming Region.

The spotlessness of the store has drawn favorable comment from many of the local patrons as well as from tourists who make the air conditioned store their haven of rest on hot summer days. A full crew of alert clerks keep the store clean to the Nth degree and offer a smile and a thank you to the hundreds of patrons who have learned to make Bolton's their drug and sundry shopping center.

Major H. P. Tiffin Is Labor Day Victim

Major Howard P. Tiffin, 44, of Fort Devens, Mass., former Pahokee resident, was one of the country's accident victims during the Labor Day weekend, according to word received here by his aunt, Mrs. Robert J. Schroder. He drowned Saturday night while fishing on a Massachusetts lake.

Major Tiffin, a provost marshal in the U. S. Army, recently returned to States after three years of overseas duty in Germany and had received word just before his death that his promotion to the rank of lieutenant colonel was being processed.

Survivors include his wife, Tina; four sons, Bobby, Eugene, Tony and Danny; one daughter, Stephanie, all of Fort Devens; mother, Mrs. Esther P. Tiffin, Atlanta, Ga.; and one sister, Mrs. Dorothy Napoles, also of Atlanta.

Funeral services were held at Deatur, Ga., Wednesday.

Mr. and Mrs. Arlice Peaden (Evelyn Louise Hay) of Pahokee announce the birth of a son, Lance Eric, at the Everglades Memorial Hospital, Aug. 29.

Mr. and Mrs. Earl Norman Clay (Martha Barnhill) of Pahokee announce the birth of a daughter, Debra Sherrel, at the Everglades Memorial Hospital, Aug. 30.

Mr. and Mrs. Leve Arnold (Dottie Irene Lamb) of Canal Point announce the birth of a son (Timothy Hayes), at the Everglades Memorial Hospital, Aug. 31.

Mr. and Mrs. Herbert Miller (Baby Carter) of Pahokee announce the birth of a son, John Edward, at the Everglades Memorial Hospital, Sept. 2.

LIONS HEAR STOVALL

Guy Stovall of Fort Lauderdale, retired SRD official, was guest speaker at the Tuesday luncheon meeting of the Pahokee Lions Club. Introduced by Frank Tillis, the speaker, who was a resident of Pahokee in the pioneer days, told of some of the experiences of the early settlers of the Lake Okeechobee area in their attempts to tame the wilderness of the Everglades.

Linda G. McRaney Weds Sam McKinstry

Mr. and Mrs. Webb McRaney announce the marriage of their daughter, Linda Gale, to Pvt. Samuel McKinstry, III, U. S. Army, son of Mrs. J. W. Guthrie of Miami and Sam McKinstry, Jr., of Pahokee.

The double ring ceremony took place Saturday, Aug. 20, in the pasturium of the Baptist Church at Ozark, Ala., with the pastor of the church reading the vows in the presence of the bride's mother and close friends.

The bride is a graduate of Pahokee High School, Class of 1959. Pvt. McKinstry graduated from Pahokee High School in 1958 and is now serving in the Army at Fort Rucker, Ala.

The couple are making their home at Daleville, Ala., while he is stationed at Fort Rucker.

State Welfare Aids 5,038 County People

Thomas E. Penick, Chairman of District 10 Welfare Board of the State Department of Public Welfare, reported that in Palm Beach County 5,038 persons were assisted in the four categories of public assistance for the month of August.

A total of 1,731 persons received Old Age Assistance in the amount of \$88,091.00. 85 persons received Aid to the Blind, totaling \$5,215.00. 786 families, representing 2,378 children, received Aid to Dependent Children in the amount of \$49,227.00. 197 persons received Aid to the Disabled in the amount of \$11,280.00.

In addition 471 children received service during the month, 182 of whom were in foster homes. The total state and local cost for these child welfare services was \$11,191.50.

There were 2 adoption petitions studied for the Circuit Court. These are children placed in homes independent of service through a licensed child placing agency, and the Welfare Board is responsible according to law to make these reports to the court.

Palm Beach County is also represented on the District 10 Welfare Board by the Rev. Paul M. Cassen, Mrs. Helen R. Tedder, Mrs. Helen D. Woodward, West Palm Beach, and Mrs. Doris Sasser, Pahokee.

CARD OF THANKS

I wish to take this opportunity to thank my many friends and neighbors for their thoughtfulness and kindness expressed during the illness and death of my wife, Marie Esther Wilson. Each and every act of kindness will long be remembered. May God bless all of you.
William W. Wilson

Mrs. L. W. Armstrong, Mrs. Don Hillier and Mrs. Frank Friend attended a meeting of the Palm Beach County Red Cross Disaster Committee in West Palm Beach Wednesday. They were accompanied by Dr. L. W. Armstrong.

DCT Program Again In Pahokee School.

Pahokee High School will again offer Diversified Cooperative Training (D. C. T.) program according to Howell L. Watkins, County Superintendent of Public Instruction.

Operated on the same schedule as regular senior high classes, DCT is designed to bridge the gap between school and job. The program offers the student a combination of vocational guidance, practical on-the-job training and study related to the job through the cooperation of school, parents and employers.

The DCT program is now operating successfully in more than 125 Florida high schools and last year had an enrollment of over 3,000 students. Participating students worked in 1,647 occupations, school officials said. This year an estimated 50 county businesses will take part in the program.

Some of the vocations that students have been trained in under

the DCT program are window display, journalism, auto mechanics, photography, typewriter repair, electrical equipment repair, dental or doctor's assistant, secretarial, retail sales, nursery school assistants, bookkeeping, banking, hotel management and many more.

To qualify for DCT the student must be a junior or senior at least 16 years of age and must have maintained at least a "C" average the past semester.

Students accepted will be placed in the employment of their choice for four hours on-the-job training each afternoon. The student also spends four hours a day, usually in the morning, in classes at the schools taking two hours of regular school subjects and two hours devoted to study directly related to their job needs.

While in training, students receive wages comparable to beginning wages for that particular type of employment. The employer assigns duties to the student, supervises his progress, and gives instruction in each step of the job. A record is kept of operations performed by the student and when he has reached the proficiency level in

a given phase of work, he is moved to another operation.

Students and employers interested in entering the program for the coming year should contact Joshua Seaver at Pahokee High School.

Miss Radio Glades Receives Her Crown

Miss Judy Epstein of Pahokee was crowned Miss Radio Glades of 1960 at the second annual Miss Radio Glades pageant held on the breakwater at Pahokee Harbor Monday afternoon under the sponsorship of radio station WRIM. The reigning beauty queen, who attended Palm Beach Junior College last year, was awarded an inscribed trophy and merchandise prizes, gifts from local merchants. She was crowned by Miss Suzanne Morgan, last year's winner.

Miss Labora Crosby, Pahokee High School Senior, as runner-up in the beauty-personality contest, also received a trophy and prizes. The other eight finalists were presented with gifts.

FLORIDA POWER & LIGHT COMPANY
HELPING BUILD FLORIDA

Here's what the new $3\frac{3}{4}\%$ interest rate on U.S. Savings Bonds means to you:

\$3 = \$4 *fourteen months faster than before*

The Bonds you own are better than ever, too

The new $3\frac{3}{4}\%$ rate means your savings grow faster than before with U.S. Savings Bonds. \$3 becomes \$4, or \$3,000 becomes \$4,000 in just seven years, nine months. This applies to all Series E Bonds bought since June 1, 1959.

Then, all older Bonds, both Series E and H, pay more now—an extra $\frac{1}{2}\%$ from June 1 on, when held to maturity.

And, all Series E Bonds carry a new 10-year extension privilege. This means your Bonds will keep earning liberal interest automatically after maturity.

These three new cash benefits make today's U.S. Savings Bonds the finest in history. They make the ones you own now better, too.

More advantages of U.S. Savings Bonds

You can save automatically. Just tell your company how much to deduct every payday for Bonds, and your Bonds will be delivered to you. This way you can't forget to save. And, remem-

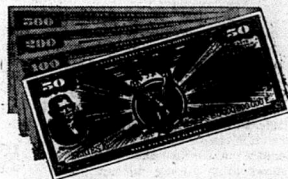

ber, the money you don't touch can't slip through your fingers.

You can get your money, with interest, when you need it. Your Bonds are a ready reserve to use anytime you wish. But, it pays well to hold them.

Your savings can't be lost or stolen. The U.S. Government guarantees to replace your Bonds, free, if anything ever happens to them.

You save more than money. The Bonds you buy help keep the peace because peace costs money. Money for better education, new scientific research, greater military strength. And the money you save helps strengthen our nation's economy which depends on the financial strength of individuals to keep it sound.

Start saving with U.S. Savings Bonds today. You'll save more than money.

You save more than money
with U.S. Savings Bonds

Mr. and Mrs. Edwin Rice of Belle Glade have welcomed into their home a six-month-old infant son, Steven Ray, for adoption. Mr. Rice is research agronomist at the USDA Sugar Crops Field Station in Canal Point.

Mr. and Mrs. Charles Maxson, accompanied by Mr. and Mrs. W. O. Green of West Palm Beach, attended the Pittsburgh Steelers-Baltimore Colts professional football game in Miami Saturday night. Johnny Green, son of Mr. and Mrs. Green, is a member of the Steelers team, playing quarterback position

Mr. and Mrs. Herman Kautz will take their son, Ronnie, Sunday to Coconut Grove where Ronnie will enroll in the Ransom School for Boys.

Fred Hickerson, Jr., will leave on Friday of next week to enroll at the Admiral Farragut Military Academy in St. Petersburg.

Mr. and Mrs. J. D. Latham, Jr., have returned to Cocoa after a visit of several days with their parents, Mr. and Mrs. E. B. Gamble, at Pahokee and Mr. and Mrs. J. D. Latham at Canal Point.

County Cooperates In Safety Program

The Florida Farm Bureau Federation and the Agricultural Extension Service of Florida are cooperating with the Florida Safety Council in organizing a Safety Program in three Florida Counties.

The counties selected are Walton County, Lake County and the Everglades Area of Palm Beach County. We are inviting you or some member of your group to attend an organization meeting at the Glades Office Building at 8:00 p. m. Thursday, September 15th.

Speakers representing the above mentioned groups will be present to assist in a proper organization of a safety study in the Glades section.

These safety groups have been active in several states and have developed a "safety conscience" that has actually resulted in substantial decreases in accident and have been helpful in stabilizing and actually decreasing insurance rates.

All of us recognize the hazards of all types of accidents and know the disastrous effects of accidents on the farm and in the homes. In fact accidents seem to have no pattern of where they occur or when but our present society seems to find accidents increasing in all areas of our life. This is a dangerous factor and certainly we need to take advantage of known research in this field and to take positive action leading to a decrease in these costly results of apparently continuous accidents.

Please make plans to have a representative at this meeting, Thursday, September 15, 1960.

Cape Coral Site For Writers Meeting

CAPE CORAL — The Florida Outdoor Writers' Association 1960 fall convention is expected to attract approximately 100 members and their families to this west coast city, October 7-9.

Dates for the convention were announced by Edmund McLaurin, FOWA president, in St. Petersburg. He said that in addition to freelance, newspaper and magazine writers from Florida, several leading out-of-state writers are expected to attend the convence.

"This meeting in October will definitely have a serious side to it," McLaurin said. "We have scheduled a clinic at which conservation and other pressing outdoor problems will be discussed."

However, the writers are also expected to get in some fishing, skeet shooting, and general recreation during the weekend.

Cape Coral is located 12 miles southwest of Ft. Myers.

Merger Discussion By Two Railroads

JACKSONVILLE—Both Atlantic Coast Line and Seaboard Air Line railroads, in the midst of a merger discussion, showed substantial profits in reports on the first seven months of 1960. But they fell behind last year's pace.

ACL, which is moving its main headquarters from Wilmington, N. C., to Jacksonville, netted \$2.65 a share. This compares with \$3.03 a share last year.

Seaboard showed a profit of \$1.84 a share as compared to \$1.98 a share last year.

Mrs. Moore Names Her Committees

Mrs. Jimmy Moore, president of the Beta Omicron Chapter, Beta Sigma Phi Sorority, named Mrs. Julian Branch chairman of the social committee at a meeting of the chapter, the first of the fall season, at the home of Mrs. Don Zaccagnino. At the same time Mrs. C. L. Shirley, Jr., was appointed ways and means chairman; Mrs. W. A. Cross, Jr., Girl Scout representative, and Mrs. J. V. Thomas, Jr., alternate representative to the sorority's city council.

Mrs. Milton Salvatore, program chairman, gave a program on "Introductions and Invitations," and presented each member with her program book, entitled "Conduct-Expression-Purpose."

It was announced the chapter's secret sister party will be held at the home of the president, Mrs. Moore, Sept. 15. Refreshments were served by Mrs. Zaccagnino.

Legion Convention Endorse "Torch"

MIAMI BEACH—Officials of the 1960 American Legion National Convention have endorsed the City of Miami's "Torch of Friendship" to be dedicated Oct. 19.

The torch is a concrete shaft standing 14 feet high and topped by an everlasting flame to symbolize American's perpetual friendship with Latin America. The dedication will coincide with the Legion's convention which will be in session on Miami Beach, Oct. 15-20.

Miami Mayor Robert King High said formal invitations to attend the dedication have been sent to President Eisenhower, Vice President Nixon, Senator John Kennedy and leading officials from Central and South America.

Mr. and Mrs. M. D. Geiger spent the Labor Day weekend at Pine Island on the West Coast.

ADVERTISEMENTS FOR LEASE

PROPOSALS
Sealed proposals will be received by the ENGINEERING AUTHORITY OF THE CITY OF BELLE GLADE, at the City of Belle Glade, in the Osceola, Farm Labor Supply Office, Belle Glade, Florida, until 12:00 Noon EST, September 20, 1960, for proposals to lease one site in each Osceola Farm Labor Supply Office, at the Osceola Farm Labor Center, of Belle Glade, Florida, for the installation and operation of an automatic coin operated laundry service. The proposed lease is available for inspection at the principal office of the undersigned.

Each bid must state the amount of rent the bidder will pay per month for each site. He must also furnish with the bid a current financial statement signed by the bidder, the name and address of three credit references, and a letter from a manufacturer or distributor of such equipment agreeing to install the equipment for the bidder if his bid is accepted.

A certified or cashier's check made payable to the undersigned, equivalent to the first month's total rent shall accompany each bid. The checks of all bidders not accepted will be returned within 10 days after the lease is awarded. The successful bidder shall execute the proposed lease within 10 days after notice of acceptance of his bid and check shall be retained until the first month's rent. If the successful bidder fails to execute the lease within the time provided, the sum paid with the bid shall be forfeited to the undersigned. The undersigned reserves the right to waive formalities in any bid and to accept, reject or modify any or all bids.

HOUSING AUTHORITY OF THE CITY OF BELLE GLADE
By: Emmett S. Roberts
Executive Secretary

Expires: Sept. 20, 1960.

NOTICE OF INTENTION TO REGISTER FICTITIOUS NAME

Notice is hereby given that the undersigned, under the provisions of Chapter 20,953, Laws of Florida, Acts of 1941, will register with the Clerk of the Circuit Court, in and for Palm Beach County, Florida, upon receipt of proof of Publication of this notice, the fictitious name, to wit:

GLADES REFUSE COLLECTION SERVICE

Pick your savings target and shoot straight for it!

A home... financial security... a business of your own. Important savings targets like these cost money—a substantial sum—and more than most of us have. But here's a sure way for you to score a bull's-eye and walk off with the big prize you want.

The secret of saving is system. And the simplest, most automatic saving system ever devised is the Payroll Savings Plan. Best of all, you do more than over-though Payroll Savings. You invest your money; too, and make it grow. Here's how it works.

Tell your company pay office how much you want to save each week. Then each pay period that amount will be put aside for you before you have a chance to spend it. Your money will go automatically into U. S. Series E Savings Bonds.

Because Savings Bonds earn good interest—3% compounded semi-annually when held to maturity (9 years and 6 months)—they'll soon grow to much more than you've invested in them. And your Bonds will continue to grow after you've stopped saving or 20 years and 6 months if the money's value of up to 60% more than you originally paid.

And remember this. There's no paperwork or charge about the Payroll Savings Plan. It's absolutely easy and free. Invest just \$7.50 a week for 5 years and you'll have Savings Bonds worth \$2,000 or more in 20 years. \$5,000.

Even if you're never been able to save before, this plan is guaranteed to work for you. So sign up today for Payroll Savings where you work—or invest in Bonds regularly where you bank.

For the big things in your life, be ready with U. S. Savings Bonds

The U. S. Government encourages its citizens, the Treasury Department directs, for their purchase through the following financial institutions.

mortality and find the indissoluble spiritual link which establishes man forever in the divine likeness, inseparable from his creator."

Rev. James E. Boyd Called W. P. Beach

In last week's issue of The Everglades News we printed a short story about the resignation of Rev. James E. Boyd from the First Baptist Church in Pahokee. This week we have more information available and are printing it herewith:

Mr. Boyd, a native of Virginia took his theological training at Southern Baptist Seminary where he earned a master's degree in theology. He is a graduate of Carson-Newman College, Jefferson City, Tenn., and pursued Biblical studies during a summer of travel in Egypt and the Holy Land.

Active in the Florida Southern Baptist Convention, Mr. Boyd is presently a member of the State Board of Missions and he is moderator of the Palm Lake Baptist Association.

Mrs. Boyd is the former Miss Janie T. Barnes, Hopkinsville, Ky., and was graduated from Georgetown College in Kentucky. Mr. and Mrs. Boyd are the parents of three children, Laura Ann, 13 years old, Jane, aged nine years, and Jimmy, eight years of age.

The Rev. James E. Boyd, former

pastor of First Baptist Church, Pahokee, in accepting a call to serve Forest Hill Baptist Church, Lake Clarke Shores, in West Palm Beach, will become leader of a building project there to erect a sanctuary at a site on Forest Hill Blvd., and Fla-Mango Rd.

The newly appointed pastor becomes the first to serve that church on a full-time basis. Forest Hill Baptist Church was founded February, 1960 and until its church plant is built will continue to hold services at 520 S. Congress Ave.

Mrs. Thompson Talks To Mission Group

Mrs. Joe Thompson presented the mission program, "You, a World Baptist," at the September meeting of the Pahokee Baptist Woman's Missionary Union in the church Tuesday afternoon. She was assisted by Mrs. E. B. Gamble, WMU president, Mrs. Wendell Harris, Mrs. C. S. Davis and Mrs. J. H. Wilkinson, Jr. Mrs. M. P. Stanley gave the devotionals.

A Palm-Lake Association executive board meeting on Oct. 13 was announced. It was also announced the four WMU circles will meet jointly at the church Sept. 13 at 3 p. m., when Mrs. J. H. Wilkinson, Jr., chairman, will report the recommendations of the nominating committee, a new slate of WMU officers will be elected and installed.

Drive Carefully... School's in

Safe driving is everyone's job, all year long. But now that school's starting again, it's time to be even more careful.

Our youngsters may carry some of that carefree summer back to school with them. They may forget to stop and look carefully before crossing streets and highways, getting off their school buses, chasing after baseballs.

All of Southern Bell's drivers are going to work to make this the safest school year ever. They are going to drive as if their lives—and someone else's—depend on it.

Because they do.

New $3\frac{3}{4}\%$ interest on U.S. Savings Bonds

The Treasury explains why the new ones you buy and the ones you own now are better than ever

Q: How does the new $3\frac{3}{4}\%$ interest rate benefit me?

A: With Series E Bonds, the rate turns \$18.75 into \$25.00 fourteen months faster than the old rate. Your savings increase faster, because your Bonds mature in just 7 years, 9 months.

With Series H Bonds, the 10-year maturity period stays the same but more interest is paid you each six months. With both E and H Bonds the new rate works out to $2\frac{1}{2}\%$ for the first year and a half; then a guaranteed 4% each year to maturity.

Q: When did the new rate become effective?

A: June 1, 1959.

Q: Does the new rate change the Bonds I bought before June 1, 1959?

A: All older E and H Bonds pay more now—an extra $\frac{1}{4}\%$ from now on, when held to maturity. The increase takes effect in the first full interest period after June 1.

Q: Will the Bonds I own automatically earn their new rate?

A: Yes. You don't need to do a thing—just hold on to your Bonds.

Q: When my E Bonds mature, will they keep on earning interest?

A: Yes. An automatic 10-year extension privilege went into effect along with the new interest rate. This means your E Bonds will automatically keep earning interest after maturity.

Q: With the new interest rate, should I cash in my old Bonds and buy new ones?

A: No. The automatic $\frac{1}{4}\%$ increase makes it unnecessary—and in almost every case it is to your advantage to retain your present Bonds.

Q: How are series H Bonds different from series E Bonds?

A: The chief difference is this: You buy H Bonds at full face value and the interest is paid by Treasury

check every six months for the life of the Bond. You buy E Bonds at 75% of face value and the interest accumulates to maturity. H Bonds provide income for living expenses, while E Bonds build a nest egg for the future. That's why many retired people hold H Bonds and families saving for, say, a child's education, buy E Bonds.

Q: In what denominations can I buy series E and series H Bonds?

A: E Bonds: \$25 (cost \$18.75), \$50 (cost \$37.50), \$100 (cost \$75.00), \$200 (cost \$150.00), \$500 (cost \$375.00), \$1,000 (cost \$750.00), \$10,000 (cost \$7,500.00).

H Bonds: \$500, \$1,000, \$5,000 and \$10,000. They are priced at face value.

Q: How safe are U.S. Savings Bonds?

A: Savings Bonds are an absolutely riskless way to save. The United States Government guarantees the cash value of your Bonds will not drop, that it can only grow.

Q: What if my Bonds should be lost, stolen or destroyed?

A: You can't lose. Every Bond purchased is recorded by the Treasury. If anything happens to your Bonds they are replaced—free.

Q: Where can I buy Bonds?

A: Buy E Bonds at any bank—it takes only a few minutes. Buy them automatically through the Payroll Savings Plan where you work. This Plan means you can have any amount you name automatically deducted every payday. The Bonds you buy by installments are delivered to you automatically, too. Your bank will take your order for H Bonds.

Q: How do I help strengthen America's peace power when I buy U.S. Savings Bonds?

A: Peace costs money—money for military strength and for science. And money saved by individuals helps keep our economy sound.

YOU SAVE MORE THAN MONEY WITH U. S. SAVINGS BONDS

The U.S. Government does not pay for this advertising. The Treasury Department thanks The Advertising Council and this publication for their patriotic donation.

New State Law To Affect Fish Board

If a proposed Constitutional Amendment is passed, the Florida Game and Fresh Water Fish Commission could be completely disbanded, according to the Florida Wildlife Federation.

"Many conservationists are under the impression that the proposed amendment would constitute only minor changes," said Hubert W. Robertson of Fort Lauderdale, Federation president, "but, in fact, the Constitutional change could well destroy all that the Federation has accomplished along this line in many years of effort."

A careful examination of the new proposal, which will be voted on in November's election, revealed a clause changing the appointment of the Commission from January 1, 1941, the date of its original inception, to January 1, 1961.

After consulting an attorney, the Federation officers said the change in appointment date would mean that the present Commission would be non-existent at that time and a completely new commission would be appointed.

"Our present Commission is efficient, experienced, and has a good concept of our conservation problems," Robertson said. "A completely new Commission would be a gamble at best. We would be starting all over again."

The Wildlife Federation is engaged in an all-out campaign to retain the Game and Fresh Water Fish Commission in its present form. New plans for the drive will be made at the annual convention of the state organization in Miami this month (September 16, 17, and 18th.)

Safety Program For The Glades

The Pahokee-Belle Glade area of Palm Beach County is one of the four Florida areas that have been selected as sites for safety surveys in an attempt to reduce the farm accident toll, according to the Florida Farm Safety Committee.

Dr. M. O. Watkins, director of the Florida Agricultural Extension and committee chairman, says surveys will be conducted in Alachua, Lake and Walton counties as well as the Everglades section of Palm Beach County.

A kick-off meeting for all who are interested will be held at the Court House Annex in Belle Glade on September 15 at 7:30 p. m. The committee will cooperate with organized local groups in making the local studies.

Surveys in these four pilot areas will be used to determine not only the number and kinds of accidents, but also contributing causes, effects, extent and possible ways of preventing future hazards of the same type.

These and future surveys will form the basis of future safety promotions. According to the committee, no accurate figures on the number of various types of accidents within the state are available. To date, Florida has been one of the few states without an active farm safety committee. Statistics show a marked decrease in farm accidents in states with an active state organization.

Actual survey work is slated to begin in October. The complete safety program will serve to combat accidents in the home, on the highways, on the farm and in many other areas.

The Florida Farm Safety Committee was founded in 1950 and is composed of 22 agricultural, industrial and insurance representatives.

SORORITY PLANS

Plans for integrating the activities of the three Pahokee chapters of the Beta Sigma Phi Sorority during the coming year were outlined by members of the sorority's city council at the first meeting of the season held at the home of Mrs. W. O. Moss. Mrs. Lois White, president, presided.

Potluck Supper By The Farm Bureau

Members of Everglades Farm Bureau celebrated the end of a successful membership drive with a potluck supper in the Community Building at the Glades Park. Fifty-nine new members were added to the membership roll, raising the total to 426. In addition, there were promises of 41 memberships in the near future.

Robert Stokes of South Bay served as chairman of the drive and other directors were team captains. Hilton Jones and Robert Simonsen, both of Pahokee, were awarded prizes for signing up the most members.

Wives of members formed the committee in charge of supper arrangements. New members were invited guests.

Former Pastor In Pahokee Called To Northwood Church

Rev. Hal Hunter, former pastor of the First Baptist Church in Pahokee, has accepted the pastorate of Northwood Baptist Church in West Palm Beach, succeeding Rev. Allan Watson who resigned to take the Baptist pastorate at Tuscaloosa, Ala.

Rev. Hunter is the president of the Florida Baptist Convention. He resigned as pastor of the First Baptist Church in Crestview, Fla., to accept the West Palm Beach position.

A graduate of Stetson University, Class of 1942, he received a master of theology degree in 1945 from Southwestern Seminary.

He served from 1945 to '46 as a chaplain in the United States Army and then assumed positions in the ministry that included pastor of First Baptist Church, Lake Wales and associate secretary of the Sunday School Department of Florida State Convention, 1946 to '47.

Mr. Hunter has been an ardent supporter of evangelistic campaign in Florida, and in Texas, Illinois and South Carolina. He has been speaker at Training Union conventions on a number of occasions, and presently is the Protestant preaching mission speaker at Elgin Air Force Base.

Mrs. Hunter is the former Miss Esther Strange. She was married to Mr. Hunter in 1942 and they are the parents of a daughter, Elaine Marie, aged 16 years and a son, William Hal Hunter, Jr., 13 years, old. A son, Thomas Brennan Hunter born in 1951 died in infancy.

Echols Entertain Wedding Party

Mr. and Mrs. Grady Echols entertained at their home Thursday night with a dinner party for the participants of the DeLeon-Shepard wedding, following rehearsal at the Canal Point Methodist Church. Mrs. Paul Rardin was in charge of the table decorations, featuring white hibiscus blossom and tropical greenery. The bridal couple was presented with a sterling silver cake knife on which was engraved their initials and wedding date. Approximately 30 persons were present.

Nursery Opened By Mrs. T. E. Pennington

Mrs. T. E. Pennington opened her nursery on East Main St., Pahokee, Tuesday with an enrollment of 14 children from two and a half to four years old. This will be the fourth year of operation for the Pennington Nursery.

Children attending on the opening day were Pattie Apelgren, Leigh Ann Shirley, Cindy Dobrow, Norman Arons, Sandra Mindlin, Rickie Sims, Pam Moss, Richard Nason, Tommy Wilkinson, Donald Todd, Berry Saks, Hal Unwin, Melissa Hampton, Rodney Parker and Dale Pennington.

Accident Survey Scheduled Glades

The Pahokee-Belle Glade area has been selected as one of four pilot sites in Florida for a detailed accident survey, according to the Florida Farm Safety Committee, Gainesville.

Dr. M. O. Watkins, chairman, says a detailed survey will be started in the area this fall to determine the number and types of accidents, contributing causes, effects, extent and possible ways to prevent future hazards of the same kind.

Representatives from all organized groups in the area are requested to attend the kick-off meeting scheduled for Thursday, September 15, at the Agricultural Center in Belle Glade.

This organizational meeting will begin at 7:30 p. m. An area safety committee will be formed and plans will be made to conduct the year-long survey of all area residents.

At present, no accurate figures for the number of various types of accidents within the state are available. This and future surveys will form the basis of future safety promotions. The complete safety program will combat accidents in the home, on the highways, on the farm and in many other areas.

Special emphasis will be placed on the accident problems involving migrant labor in this area. The Farm Safety Committee says that an effective accident prevention program will reduce the accident rate by as much as 60 percent. This has been proven by experience in other areas with active safety campaigns.

Florida has the dubious distinction of ranking in the top 10 states in the country according to deaths from burns, electricity and lightning on farmland and around farm service buildings.

Florida has been one of the few states without an active safety committee. Statistics show a marked decrease in accidents in states with active state and local organizations.

Facts such as these have prompted a concerted effort to make the Pahokee-Belle Glade area and the state a safer place in which to work and live. Local leaders in this movement are County Agricultural Agent M. U. Mounts and Walter J. Kautz, president of the Everglades Farm Bureau.

Surveys are also scheduled to begin this fall in Lake, Alachua and Walton counties.

BPW Club To Host District Meeting

At the first meeting of the Pahokee Business and Professional Woman's Club for the fall season, held at the home of Mrs. Allie Okie Tuesday night, the group made plans to be host when the BPW District Eight meeting is at Pahokee on Nov. 20. Mrs. Mildred Lavender, the new president, named Mrs. Okie chairman of the committee in charge of arrangements for the meeting.

Mrs. Doris Carter and Miss Ellen Morgan were appointed captains of two attendance teams which will engage in competition to increase attendance at regular meetings.

It was announced Mrs. Robert A. Shelley of Canal Point will present a program on "Health and Safety" at a special meeting of the club at the home of Mrs. Cleo Douthitt, Sept. 20.

MOUNTS IS SPEAKER

M. U. Mounts, County agricultural agent, will speak on "Landscaping" at the September meeting of the Canal Point Garden Club in the Community Building at the Glades Park Thursday, Sept. 15, at 3 p. m. Mrs. J. W. Repper and Mrs. M. C. Carter will be hostess.

El Chafik Sioufi of Cairo, Egypt, sugar cane specialist, is a visitor at the USDA Sugar Crops Field Station in Canal Point this week, studying the results of the current research program at the station.

Mrs. Jenkins Weds Elmer O. Winch

Mrs. Hazel Lillian Jenkins of Pahokee and Elmer O'Dell Winch of Pahokee and Buffalo, N. Y., were married Saturday, Sept. 3, in the parsonage of the Methodist Church at Okeechobee, with the Rev. B. J. Ragsdale, pastor, officiating at the double ring ceremony.

The bride wore an imported blue voile street-length dress with white accessories and a white carnation corsage. For the past several years she has been associated with Kahn's Department Store.

After a honeymoon at Daytona Beach Mr. and Mrs. Winch will make their home in Pahokee, where he is employed as engineer by the Everglades Growers Cooperative.

NEW NORTHWOOD PASTOR

The Rev. W. Hal Hunter, president of Florida Baptist Convention and former pastor of the Pahokee First Baptist Church, accepted a call to become pastor of the Northwood Baptist Church in West Palm Beach. Those from Pahokee who attended services at the Northwood church Sunday to hear the Rev. Hunter's sermon were Mr. and Mrs. M. P. Stanley, Mr. and Mrs. J. L. Humphrey and Mr. and Mrs. Alex Johnson.

Busch Gardens In Tampa Draw Tourists

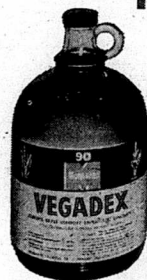

TAMPA—The one-millionth person to visit Tampa's newest, free tourist attraction, Busch Gardens, was honored recently by officials of the Anheuser-Busch Brewing Co.

The gardens, in little more than a year since they were opened, have grown to be Florida's number one free tourist attractions. Mr. Otto Marks, of Tampa, was the one-millionth visitor to sign the guest registry.

Kenneth Bitting, Jr., plant manager, said the company would present gifts to Marks and his family; will be host for the family group on a deep sea fishing trip and treat them to a "night on the town" including dinner.

Bitting said that indications are that attendance at the gardens will increase some 30 per cent next year and surpass the paid attendance at Florida attractions such as Silver Springs and Cypress Gardens.

Mr. and Mrs. T. D. Mullin and son, Tommy, have returned to their home at Canal Point after spending the summer in Delaware and Virginia where he was engaged in the vegetable produce business. While in the North they visited her parents, Mr. and Mrs. G. W. Buckner, for a week at Ferrum, Va.

NEW WAY TO STOP HAND WEEDING IN VEGETABLES

SPRAY VEGADEX AS YOU PLANT

This new "chemical weeder" kills off tough grassy weeds as they sprout — practically ends all hand weeding in vegetables.

Use Vegadex to control weeds in Cabbage, Corn Snap Beans and Celery.

Vegadex kills off tough weeds like purslane, pigweed, chickweed, henbit, foxtails...and many more.

Come in now...get your Vegadex and have it ready when you plant!
